City of Bogart Permit Fee's

All permits are issued by the Clerk's Office at the Bogart City Hall. All Contractor's for Building, Electrical, Plumbing or HVAC services must complete a Permit application and submit to this office with an attached copy of their State License.

Electrical Permits are not required for a change of service.

Building Permits are not required for structures less than 100 square feet, re-roofing or fences.

No Building Permit will be issued for commercial property having access to State Highways, Federal/State funded unless a D.O.T. Commercial driveway approved permit is attached to the Building Permit application.

Building Permit applications must be accompanied by a copy of the Septic Tank Permit and Soil and Sedimentation Report as well as a copy of the State License for the Contractor(s). Building permits should be obtained prior to any footings being dug.

No inspections will be given unless all permits have been obtained.

All inspections are completed by the Oconee County Inspections Department at:
